The Hardware Conference
91900 Overseas Highway
Tavernier, FL 33070

Dear Tom, Dale & Tina

I just want to express our most sincere gratitude for hosting The Hardware Conference. Every year there is a wealth of information gained by me and my staff. We re-connect with old faces and start new business relationships that further the success of Baro Hardware. We are introduced to new products and new vendors. We have one on one dialogue that just doesn't happen at other conferences and it all takes place at one of the most beautiful hotels in Florida. It's a win-win situation.

Of course, we are so happy to be a part of the Miami Children's Hospital fund raiser and couldn't think of a better foundation to contribute to. We truly appreciate your extended hospitality and look forward to next year's conference. Only 11 months away!

Most Sincerely,

Alan Baro & Family
